<p>INDIANA DRY CLEANER COMPLIANCE ASSURANCE PROGRAM (IDCAP): Focuses on the National Emissions Standards for Hazardous Air Pollutants (NESHAP) for Perchloroethylene Dry Cleaners.</p>		<p>This regulation imposes new record keeping, reporting and emission control requirements on all of Indiana’s perchloroethylene drycleaning facilities. IDEM provides technical assistance to these businesses to meet requirements.²³</p>	<p>IDEM, Office of Pollution Prevention and Technical Assistance 100 N. Senate Ave. PO Box 6015 Indianapolis, IN 46204 (317) 232-8172</p>	<p>Not applicable.</p>
<p>INDIANA 5 STAR RECOGNITION PROGRAM: Voluntary program that recognizes dry cleaners taking steps to protect the environment beyond what is required. Participants are ranked on a scale of one to five stars for such things as minimizing use of solvents and managing waste responsibly. Cleaners must apply to IDEM and reapply every two years.²⁴</p>		<p>One Star: Reduce use of solvent. Respond in a timely manner to questions and complaints about solvent. Use a hazardous waste hauler for hazardous waste even if exempt. Two Stars: Recycle hangers and bags from customers. Provide brochure on waste management. Conduct annual employee hazardous communication training. Three Stars: Use recycled bags. Attend annual IDEM training. Report solvent mileage. Four Stars: Consistently achieves 450 solvent mileage and posts this information in the</p>	<p>IDEM, Office of Pollution Prevention and Technical Assistance 100 N.
